CELEBRATING THE LIFE OF SAINT FRANCIS OF ASSISI

Saint Francis is a man of God. He discovered the most profound way to love God by practicing simplicity, radical poverty and giving his all to his beloved God. He was born in the quiet town of Assisi, Italy in the 12th century, renounced his wealth and privilege and changed his way of life radically. Soon he became a prominent figure in the Catholic Church, by primarily devoting his life to spread the message of love, humility and harmony with nature. He has an unwavering dedication in promoting peace, justice and compassion, a characteristic that earns him the reverence of people around him and people from all walks of life.

The Feast Day of Saint Francis of Assisi is a joyful celebration to commemorate the remarkable life and inspiring legacy of the revered saint, who is renowned for his profound compassion, kindness, and love for all creatures.

The extraordinary life of Saint Francis captivates the hearts of the people who wanted to imitate or follow his lead. It has impacted the lives of so many individuals who have been touched by the beauty and sanctity of the way he lives throughout his earthly life. People who learned about his wonderful story often wondered how he possessed profound connection with the natural world, often preaching to birds and even taming wild wolf. This amazing affinity with nature has led Saint Francis to be revered as patron saint of animals and the environment. All of his notable sermons are call to action, inspiring people to recognize the interconnectedness of all life on Earth.

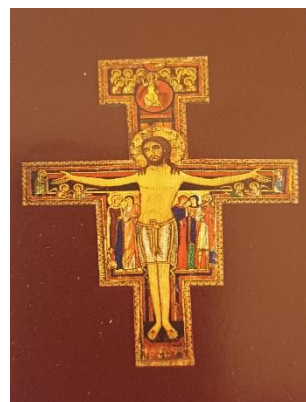

As we all come together to commemorate the Feast Day of Saint Francis, let us all be reminded of the transforming power of compassion, love and kindness. Let us emulate the remarkable spirit of Saint Francis by way of promoting harmony, justice and peace in our immediate environment. By doing so, we will not only honor the legacy of a saint but also being able to contribute to a more compassionate and harmonious future for all.

A CALL FOR WORKS OF MERCY

To meaningfully celebrate the Feast Day of Saint Francis, we are calling all devotees and parishioners to engage in the acts of charity, volunteer work and environmental stewardship. These are selfless endeavors that we can involved with in our own little way.

Please participate in our donation drive to replenish items in the St Anthony's Food Pantry to distribute to those in need. The following can be donated: easy to open cans of soup, easy to open cans of meat, chicken or sardines, granola bars, fruit cups, box of individually packaged cookies or crackers, packages of cereals, cups of noodles, packs of prepared pasta, and other items such as: toothbrushes and toothpaste, travel-sized body soaps and shampoos. There are boxes available in both churches where you can drop these items.

We are also encouraging everyone to give gift cards in **small** denominations (\$10 or \$15) for Tim Hortons, Save-On, McDonalds, No Frills, Safeway. Please give these directly to the Office or drop it in the collection basket.

SAINT FRANCIS OF ASSISI Quotes to Live by

“Men lose all the material things
they leave behind them in this world,
but they carry with them
the reward of their charity
and the alms they give”
